In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products indicated in the following page, placed on the European economic area market by:

RENOLIT BELGIUM NV

Industriepark De Bruwaan 9
9700 OUDENAARTE
BELGIQUE

and produced in the factory:

RENOLIT IBERICA SA - Carratera Del Montnegre - 08470 SAN CELONI - ESPAGNE

were submitted by the manufacturer to the initial type-testing for the relevant characteristics of the products, are submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body – CSTB – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 2+).

This certificate attests that all provisions concerning the attestation of conformity of factory production control described in the technical specification in reference:

NF EN 13956 : 2005

are applied.

This certificate can only be used in conjunction with the declarations of conformity of the products written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.

This certificate is first issued on 10 October 2006 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly and latest on 10 October 2011.

This certificate comprises 2 pages.

The list of the conformity certificates issued by CSTB is kept up-to-date by the CSTB.
